

# NCF's Ministry by the Numbers

How we're helping generous individuals and families reach their highest potential in giving

With offices across the country and close to four decades of leadership and innovation, NCF is comprised of some of the brightest, most passionate experts in charitable giving today.

Founded by Larry Burkett, Ron Blue, and Terry Parker, we're now the 8th-largest U.S. non-profit and the largest Christian grant-making organization in the world. Today, we serve thousands of givers and advisors with like-minded relationships, creative giving solutions, and an online platform that makes giving simple and fun.

The result? More impact for those in need. More adventure, purpose, and joy for you. And ultimately ... more glory for God.
