

Cornerstone Fund

Your long-term charitable giving solution with dedicated service and unparalleled expertise

Throughout history, placing a cornerstone has been the first and most important act in the building of anything great. A cornerstone in an ancient building isn't symbolic. It gives strength and support to the whole structure.

In this same spirit, we designed the Cornerstone Fund to provide a strong foundation for your long-term charitable giving strategy. This is a personalized donor-advised fund that offers key advantages along with the flexibility and innovations you expect from NCF.

With a team of like-minded experts at your side, you'll experience personalized local service, significant tax benefits, reduced administration, opportunities to connect with givers who share a common mission, and much more.
